

## Pricing & Promotion

Prices are shown against each product. Shipping and other costs are clearly shown either at the point of selection or before you commit to your purchase. Please read all information carefully and contact us BEFORE you check out if you require any further information.

Online prices are only valid for online purchases.

We make every effort to ensure that all pricing information on the Website is accurate. Errors can occur and in such cases, upon receipt of your order, we may contact you and communicate the correct information to you. At that time, we will offer you the opportunity either to cancel your order and receive a full refund or to continue with the order and pay the correct price. We will not be obliged to supply goods at the incorrect price. If we are unable to contact you or we receive no reply from you, we will cancel your order and any monies paid will be refunded.

Prices that are reduced for sales and promotions are only valid for the specified period stated.

We reserve the right to adjust prices, offers, goods and specifications of goods on the Website at our discretion at any time before (but not after) we accept your order.

All prices on our websites are in GB Pounds (UK Pounds Sterling) and for mainland UK customers are inclusive of VAT at the prevailing rate.
